Choose Lomray - take the right way

WHY LOMRAY

- All our development is done in-house. The team is located in Poland which makes our services cost-effective
- While working on projects we follow best practices to make code valid and clean
- Daily availability for any questions or concerns you may have
- We are attentive to meeting deadlines
- You will get help registering on the App Store or Google Play
- We have a business mindset
- Thorough testing before launching is a must

OUR SERVICES

- Cross-platform mobile development using React Native
- Full-stack web development using React + Node.js
- Development of the concept of a mobile application, technical specification, prototypes
- UX/UI design
- QA and testing
- Integration with API and third-party services, InAppPurchases, Firebase, etc.
- Support and maintenance
