Rolique

- $100,000+
- $30 - $49 / hr
- 50 - 99
- Enterprise
- Ukraine, Lviv
- 2014
- Within 1 month

Rolique is a well-coordinated team of developers, QAs, PMs, and BAs driven to deliver multi-functional applications for businesses. What the company's software brings to their clients is the ease of use, transparency and seamless communication. Rolique is aspired to create systems that streamline the internal and external business processes and make the daily routines less time-consuming and painful.

Communication

Rolique believes that seamless communication is key to success. Their project managers and project coordinators utilize best-fitting communication channels to keep the clients involved and informed.

Thrive

The products they build have the capacity to grow in size and complexity and fulfill the emerging needs of the business. They build for years, not months.

Company's expertise

Angular, React.js, Node.js, Laravel, Symphony, Go, ElasticSearch, Drupal CMS, AWS/Google Cloud (Firebase) Development
