

 **ConvrtX** \$5,000+ \$30 - \$49 / hr 100 - 249 Enterprise Canada, Toronto 2015 Within 1 week*We serve to you*

ConvrtX is a Canadian Digital Agency that works with enterprises and innovative companies to deliver hyper-polished digital solutions using cutting edge technologies. ConvrtX integrates your current system to amplify the unified customer digital experience and build a STRONGER BRAND. ConvrtX utilizes its global team to deliver FIXED PRICE projects with HIGH VELOCITY. App-Scoop's global team uses industry-standard tools such as SLACK, JIRA, CONFLUENCE to ensure seamless delivery in an AGILE PLUS environment. At ConvrtX we are passionate and committed to providing our clients tremendous value through our delivery of products and services. We understand that we will only come to learn what works best for our clients by paying attention to our clients' communication with us and asking intelligent questions. Our clients' success translates to ours. As such, we view our relationships with our client as partnerships and we work closely not only through the entirety of the development process but also subsequently in terms of application support and updates.
