With you, we challenge infinite possibilities

Established in 2000 as GNT, Inc. in Yokohama, Japan, as a mobile internet company, rebranded as GIANTY 2017, we offer our services in video game and software development, as well as art production and design.
With our corporate headquarters in Japan and global branches in Vietnam and the United States, we leverage our global talents and their time zones by working as you rest. We bring Japanese refinement to game development and design. We
