2011

Within 1 week

While others may consider the first line of code the beginning of the project, we at Sidekick Interactive know that understanding your vision is the first step in creating the perfect native mobile application. Since 2011, our Montreal-based multidisciplinary team works on ambitious projects in America and Europe, helping transform ideas into powerful applications. We created 2 steps to achieve success within the right time- [View more](#) ▾
